

Student exchange

2011

Australia- The Netherlands

Oxley College, Bowral

Koninklijke Scholengemeenschap, Apeldoorn

## Introduction

Apeldoorn, 2 September 2011

To everyone involved in the exchange with Oxley College, Bowral, and KSG Apeldoorn, Apeldoorn.

This exchange is about to start. 19 students and three teachers of Oxley College are going to visit KSG Apeldoorn.

The students will be staying with host families and we are so pleased that the parents of the Dutch students are more than willing to accept an Australian student into their families for more than a week.

We have all been looking forward to this for quite some time and we are sure that this exchange will become a success.

This booklet contains most of the information you need during the week.

It is essential that you bring this booklet every day. Don't leave this booklet at home or at your host's.

We wish you a wonderful and productive week!

The teachers involved,

Sietske van der Worp  
Caroline Bouwhuis

Dep. of International Projects and Exchanges

Mr J.C. Seffinga
